(See below)

Description:

Tonight at this time Mr Wallace called in from F pod and said he thought he might be having mini strokes or something he didn't feel right  
I told him i'd let the Sgt know  
I called central and told Sgt Everhart what Mr Wallace said  
49-j J Teipen will be rotating in just a few minutes so that i can comp my time  
he said he will bring the medical evaluation sheet with him at that time.  
nothing further
